Facts about Rape and Sexual Assault

Sexual assault is a general term that includes any forced or unwanted sexual activity, including rape, incest, sexual abuse, and molestation. Sexual assault includes any forced or unwanted touching of an intimate part of the body, such as breasts, buttocks, or genitals.

Rape, a specific type of sexual assault, involves any forced, manipulated, or coerced penetration of the vagina, anus, or mouth, by a penis or other object. Sexual assault/rape is not a crime of passion but a crime of violence, using sex as a weapon to overpower and to degrade the victim. A rapist can be a stranger or someone the victim knows including a spouse, date, or family member.

- ✓ Most rapes committed against women are committed by an intimate partner (spouse, boyfriend/girlfriend) or someone else they know (friend, family member, acquaintance).

Want to Help Make a Difference?

If you are wondering how you can help MSDVC “House of Hope”, we have some ideas for you.

MSDVC provides all the food for our clients during their stay, hygiene products, diapers, wipes, laundry soap and softener, bedding, pillows, transportation via our van or River City Transit, a donation room of household items and clothing. MSDVC provides new undergarments and pajamas as many come with nothing. We also help our clients with furniture and small kitchen appliances when they move into their own house. Those items underlined are always needed but we rely on donations for them. If you are moving or just downsizing and you want to make a difference in the lives of another family, consider donating to MSDVC. You can call us at 224-0256 or email us at domestic@missourishores.com to inquire about items you would like to donate.
